

EVERYTHING YOU SEE COMING OUT OF HOLLYWOOD IS A PACK OF LIES, A DISTORTION OF REALITY

still believe that **women's greatest role is motherhood**, I also believe that women can be active in the professional world if that is what they choose. Women have the right to an education and no woman should ever have to accept physical or psychological abuse. But I think many women choose to have a career outside the home for the wrong reasons, perhaps to feel more modern or sophisticated. Unfortunately, their children are neglected. It's a delicate balance, but I believe that raising the next generation to stand for peace & justice is the most noble contribution women can make to the world. **Motherhood is a great blessing. Too many modern women forget this.**

Q. How did you get to know so much about Islam & Muslim Women? I began researching the Islamic world after 9/11 & discovered that most of what we had been **brainwashed into believing about Muslims was not true**. I spoke with Muslim Americans about their views on politics and their opinions about wearing hijab, for example, and was surprised that most of the Muslim women with whom I spoke actually enjoyed wearing hijab and felt it was an honor and mark of respect. I began to admire their modesty and self-respect.

Q. How do you define modernism versus oppression? Modernism & oppression are two extremes. If by modernism you mean what we have in the West, then I reject modernism. It is necessary to strike a balance between modernism & oppression. Both are extremes, and, ironically, **modernism is just a different form of oppression of women**. Instead of women being oppressed by men by not being allowed out of the house for example, modernism oppresses women by making us lonely, sexually abused slaves with no children. **Feminism as it has been practiced in the West since the 1960s has been most destructive for women**. The feminists pretended to want to liberate women from their roles as wives & mothers & let them be free to work, have their own homes, and be sexually liberal. But the truth is that **these things do not bring happiness to a woman**. A woman can only be truly fulfilled in her role as wife & mother. She can also have a successful career, but ask any career woman who has no children of her own, and she will tell you that she would trade all of her

professional success to have even one child. Oppression is the opposite extreme, in which women have no rights. A healthy balance is best for women & for society.

Q. What is the first thing about American women that you would like to change or fix? I look at old photographs of women of my grandmother's generation and I can see that they wore long, beautiful dresses. They did not wear veils, but they definitely did not wear short skirts or show their legs in any way. Then I look at pictures of the 1960s and see that women first started to wear short skirts and much more revealing clothing and that is when the divorce rates increased (now 50% in the U.S.), abortions increased, and it became impossible for women to earn the love of a man without sex. **My advice to American women is to dress modestly and do not have sexual relations until they're married**. If a man does not love her enough to wait, then he is not worthy of her.

Q. Most people see the West (USA), as modern & free. Many Muslims urge Muslim women to adopt their ways, what would you say to those people? I would strongly encourage Muslim women to continue to wear hijab. **Veils are very beautiful & innocent and I admire Muslim women who wear them with pride**. They can be modern in the sense that they attend university & have careers, but the moment they become seduced into losing their modesty, the evil ones have already started to win them over. **At first it seems innocent enough. Just dress a little bit more revealingly** and be more like women in the West. **Then they will start to seduce you more and more with the idea of loosening your sexual morality, then comes abortion & promiscuity. All of this leads to misery for women**. And then there is the so-called "entertainment"...esp. music videos.

Music videos with twerking girls are talked of "as a high-spirited celebration of the freedom that young women are blessed with today to fully explore & celebrate their sexuality." Absolute TRASH!!!

SOCIAL MEDIA PROSTITUTION

JESUS SAID:

"Give not that which is holy unto the dogs,

neither cast your pearls before swine, lest they trample them under their feet, and turn again and rend you" (Matthew 7: 6).

Our pearls are priceless,

but they convince us that they're cheap.

Men have been taught to believe by pop culture, & advertising that women's bodies are there for sex. And if they have to see a woman that is anything other than thin, hairless and ready for sex - well, bring out the smelling salts.

And stupid women on social media, like facebook & whatsapp, are giving their holy bodies unto men who are panting like lustful dogs.

And here are the comments of the dogs: and girls are proud of this PUBLIC vulgarity.

"Yummy... I see boobies...; Breathtaking beauty Cute n sexy; Lovely tits baby; that ass though" Vulgar has now become acceptable & appropriate. Those comments are OFFENSIVE but women soak them up. The f-word still stands as an offensive word but young girls now use it with joy.

Girls look up to these images and not only act but dress the way they see the models/actresses in the media (short tops, cleavage, short shorts & TATTOOS). The merchandising of the female profits only that ever-voracious corporate bottom line. Hijab is a woman's statement, of transcending the often-abused power of men over their lives. It is intrinsic dignity, unadorned and straightforward, for all: and that is the Islamic way. Today, women are selling themselves short. **Especially with those torn jeans that are all the rage**. Selling their "assets" on a false stage, where fashion kings dictate the shape of a life and **appearances** have taken on the functions of one's very soul. Hail the freedom of the **"ugly liberated woman,"** unhinged from the trusting partnership: free to face man-the-enemy, rape, spouse abuse, abandonment, free to starve herself in the mating game - starve in the rat race. Her hard-won rights; her pyrrhic victory.

Thru porn women have cast their "pearls" before swine

Your beautiful dresses & veils are actually sexier than any Western fashion, because they cloak you in mystery & show self-respect & confidence.

The fashions coming out of the Western sewer are designed to make you believe that your most valuable asset is your sexuality.

Written by a Christian woman

Hollywood will try to tempt you with their titillating movies & music videos, **falsely portraying us American women as happy & satisfied, proud of dressing like prostitutes, and content without families**. Most of us are **not** happy, trust me. Millions of us are on anti-depressant medication, hate our jobs, and cry at night over the men who told us they loved us, then greedily used us and walked away. They would like to destroy your families & convince you to have fewer children. They do this by presenting marriage as a form of slavery, motherhood as a curse, and being modest & pure as old-fashioned. They want you to cheapen yourself and lose your faith. They are **like the Serpent tempting Eve with the apple. Don't bite.**

Women are safest & happiest when they dress modestly & keep their sexuality only for their husbands.

Let's hope the "panty party" is over...

Hypocrisy, one of the most damnable sins, has been rendered obsolete. When everybody's a skunk, nobody smells the stench. Or, more to the point, when everyone's slurping from the same trough, who's a pig?

American sexual predators

Weinsten; Weiner; Bill Clinton; Trump
Bill Cosby; Bill O'Reilly; Roger Ailes;
Polanski; Woody Allen; Hefner, Kobe
Bryant...and on & on...the names are
TOO many to recount. Let's not forget
the hypocrite Bush "liberating" Afghan
women. Seems like American women
needs liberating from the frisky hands of
those drunk with power & lust.

...and women are safe from predators

From your Christian sister with love.

By Joanna Francis - Writer, Journalist - USA

Between the Israeli assault on Lebanon and the Zionist "war on terror," the Muslim world is now center stage in every American home. I see the carnage, death and destruction that have befallen Lebanon, but I also see something else: **I see you.**

I can't help but notice that almost every woman is carrying a baby or has children around her. I see that **though they are dressed modestly, their beauty still shines through.** But it's not just outer beauty that I notice. I also notice that I feel something strange inside me: **I feel envy.**

I feel terrible for the horrible experiences & war crimes that the Lebanese people have suffered, being targeted by our common enemy. But I can't help but admire your strength, beauty, modesty, and most of all, your happiness. Yes, it's strange, but it occurred to me that even under constant bombardment, you still seemed happier than we are, **because you were still living the natural lives of women.** The way women have

always lived since the beginning of time. It used to be that way in the West until the 1960s, when we were bombarded by the same enemy. Only we were not bombarded with actual munitions, **but with subtle trickery & moral corruption.**

Through Temptation: They bombarded us Americans from Hollywood, instead of from fighter jets or with our own American-made tanks. They would like to bomb you in this way too, after they've finished bombing the infrastructure of your countries. I do not want this to happen to you. **You will feel degraded, just like we do.** You can avoid this kind of bombing if you will kindly listen to those of us who have already suffered serious casualties from their evil influence. Because **everything you see coming out of Hollywood is a pack of lies, a distortion of reality, smoke & mirrors. They present casual sex as harmless recreation because they aim to destroy the moral fabric of the societies into which they beam their poisonous programming. I beg you not to drink their poison. There is no antidote for it once you have consumed it.** You may recover partially, but you will never be the same. Better to avoid the poison altogether than to try to heal from the damage it causes.

Self-Value: I see you as precious gems, pure gold, or the "pearl of great value" spoken of in the Bible (Matthew 13:45). All women are pearls of great value, but some of us have been deceived into doubting the value of our purity. **Jesus said: "Give not that which is holy unto the dogs, neither cast your pearls before swine, lest they trample them under their feet, and turn again and rend you"** (Matthew 7: 6). Our pearls are priceless, but they convince us that they're cheap. There is no substitute for being able to look in the mirror & seeing purity, innocence & self-respect staring back at you.

The fashions coming out of the Western sewer are designed to make you believe that your most valuable asset is your sexuality. But your beautiful dresses and veils are actually sexier than any Western fashion, because they cloak you in mystery and show self-respect and confidence. A woman's sexuality

should be guarded from unworthy eyes, since it should be your gift to the man who loves and respects you enough to marry you. And since your men are still manly warriors, they deserve no less than your best.

Our men don't even want purity anymore. They don't recognize the pearl of great value, opting for the flashy rhinestone instead. Only to leave her too!

Your most valuable assets are your inner beauty, your innocence, and everything that makes you who you are. But I notice that some **Muslim women push the limit and try to be as Western as possible, even while wearing a veil.** Why imitate women who already regret, or will soon regret, their lost virtue? There is no compensation for that loss. You are flawless diamonds. Don't let them trick you into becoming rhinestones. Because **everything you see in the fashion magazines & on Western television is a lie.** It is Satan's trap. It is fool's gold.

A Woman's Heart: I'll let you in on a little secret, just in case you're curious: **pre-marital sex is not even that great.** We gave our bodies to the men we were in love with, believing that this was the way to make them love us and want to marry us, just as we had seen on television growing up. But without the security of marriage and the sure knowledge that he will always stay with us, it's not even enjoyable! That's the irony. It was just a waste. **It leaves you in tears.**

Speaking as one woman to another, I believe that you understand that already. Because only a woman can truly understand what's in another woman's heart. We really are all alike. Our race, religion or nationalities do not matter. **A woman's heart is the same everywhere.** We love. That's what we do best. We nurture our families and give comfort and strength to the men we love.

But we American women have been fooled into believing that we are happiest having careers, **our own homes in which to live alone,** and freedom to give our love away to whomever we choose. **That is not freedom. And that is not love.** Only in the safe haven of marriage can a woman's body and heart be safe to love. Don't settle for anything less. It's not worth it. You won't even like it and you'll like yourself

even less afterwards. Then he'll leave you.

Self-Denial: Sin never pays. It always cheats you. Even though I have reclaimed my honor, there's still no substitute for having never been dishonored in the first place. We Western women have been brainwashed into thinking that you Muslim women are oppressed.

But truly, we are the ones who are oppressed; slaves to fashions that degrade us, obsessed with our weight, begging for love from men who do not want to grow up. Deep down inside, we know that we have been cheated.

We secretly admire & envy you, although some of us will not admit it. Please do not look down on us or think that we like things the way they are. It's not our fault. Most of us did not have fathers to protect us when we were young because our families have been destroyed. You know who is behind this plot. Don't be fooled, my sisters.

Don't let them get you too: Stay innocent & pure. We Christian women need to see what life is really supposed to be like for women. **We need you to set the example for us, because we are lost.** Hold onto your purity. Remember: you can't put the toothpaste back in the tube. So guard your "toothpaste" carefully! I hope you receive this advice in the spirit in which it is intended: the spirit of friendship, respect, and admiration.

Excerpts from an interview with Joanna: I'm a Catholic American woman who was raised mainly by a single mother with three older brothers. I attended Catholic schools but graduated from a state university.

Q. How do you feel women can contribute in helping the situation of the world? Women can contribute in many different ways. The first and most obvious manner is by raising children who believe in truth & justice for all, and by instilling in our children respect for human rights of all peoples in this world. While I

BUT TRULY, WE (AMERICAN WOMEN) ARE THE ONES WHO ARE OPPRESSED; SLAVES TO FASHIONS THAT DEGRADE US, OBSESSED WITH OUR WEIGHT, BEGGING FOR LOVE FROM MEN WHO DO NOT WANT TO GROW UP.
